

Dear Mater Amoris Families,

The Mater Amoris Montessori School Parent Council is always seeking individuals to serve as representatives on the Parent Council for the next term. We invite and encourage you to participate!

The Mater Amoris Parent Council is a group of parent volunteers whose purpose is to assist and further the aims of the school, the students and the faculty in all appropriate respects, including financial and social development.

The Council meets approximately five times a year. The Council builds support for the school through various activities, including social events (such as the Holiday Program and the Fall Picnic) and fundraisers (such as the Book Fair and Spring Fair). The Council is also responsible for the allocation of funds from those activities. In the past, monies have been raised to supplement school funds to help pay for the turf athletic field, to purchase classroom materials, to provide teacher enrichment and other school activities supported by the Parent Association.

The school and the Council needs and welcomes your participation on the council, and we appreciate your support. Please complete the form below to nominate yourself or another parent. Nomination forms should be delivered to the school, attention MAPA/Nominating Committee.

Parent Council Member Nomination: _____

Nominated By: Self _____ Other _____
