

SPRING PLANT SALE

Plant pick-up will start *Tuesday, April 28th*, just in time for serious spring planting!

This year the Upper Elementary class will once again sponsor a Plant Sale. Unlike years past, there will be no pre-orders. All plants will be available for selection on *Tuesday, April 28th, through Friday, May 1st*. Your favorites will be available in 4.5” pots for either \$2.50 or \$3.00 each (down from \$3.50), depending on the selections. We are again using Walnut Springs Nursery.

All proceeds go to the Mater Amoris Athletic Fund and will help defray expenses for the trip to the 2009 California Cup in May and support the new Monarch Butterfly Project on campus.

Checks should be made payable to the *Mater Amoris Athletic Fund*.
